Re: *Eleven Engineering, Inc. et al. v. Nintendo Co., Ltd., et al.*
Civil Action No. 09-903-LPS-CJB

Dear Chief Judge Stark:

Pursuant to Section 15 of the Scheduling Order (D.I. 68) entered in the above-referenced case, I write on behalf of all parties regarding the claim construction hearing scheduled for April 25, 2016.

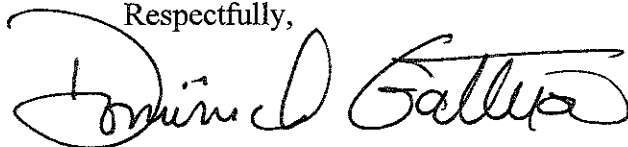

(1) Whether they request leave to present testimony at the hearing:

The parties do not believe that live testimony is needed at the claim construction hearing and, thus, do not request leave to present testimony at the hearing.

(2) The amount of time they are requesting be allocated to them for the hearing:

The parties request a total of three (3) hours for the claim construction hearing with each side allocated ninety (90) minutes at the hearing. The parties further propose that the ninety (90) minutes be broken down as follows: (a) sixty (60) minutes per side for U.S. Patent No. 6,346,047; and (b) thirty (30) minutes per side for U.S. Patent No. 6,684,062.

Respectfully,

Dominick T. Gattuso (# 3630)
